

2nd Edition of Canada-Pakistan ICT FORUM

SEPTEMBER 24 - 27, 2018 TORONTO

ICT FORUM 2018

After a successful ICT Forum 2017, Pegasus Consultancy Canada Inc. is organizing ICT FORUM 2018 from September 24 – 27, 2018 in Toronto. The event is supported by Pakistan High Commission in Canada and key members of the Parliament & Senate, Government of Canada. The main objective of the event is to explore maximum business opportunities and potential from the Canadian ICT market for business collaborations, capacity building and venture investments.

We would like to invite companies from IT Sector of Pakistan to attend ICT FORUM 2018 in Toronto followed by Elevate Toronto Tech Week. It is perfect time to see Toronto Tech Community in action. The visiting members of delegation will be seeking the opportunities of networking for business collaboration, investment, outsourcing, startup ecosystem & coexistence.

We are quite certain that with the constant hard work Pakistani organizations would attract the world attention to invest in & benefit from our products. Pegasus Consultancy Canada Inc. in support with PSEB & P@SHA will keep looking for avenues where the business prospects yielding benefits to the Human race are available and can be nurtured and benefit the Pakistani IT sector.
